

Apollo STEAM Academy

School Compact 2026-2027

Students:

- Students will follow Richardson ISD guidelines for computers and utilize their district provided Chromebooks for enhanced educational opportunities.
- Students will complete and turn in assignments in a timely manner.
- Students will be highly engaged in their educational life by taking personal responsibility for their personal grades, attendance, and extracurricular activities.
- Students will be good citizens and help maintain a safe learning environment by adhering to school guidelines.

Teachers:

- Teachers will utilize current technology provided to them by the district to enhance teaching through digital collaboration and engaging digital activities.
- Teachers will attend training on innovative use of technology in the classroom.
- Teachers will assist students in preparing for their global future by providing guidance and support in career exploration, critical thinking skills, cultivating cultural awareness, and nurturing adaptability.
- Teachers will collaborate with parents for the academic success of their child.

Parents:

- Parents will monitor their child's internet usage at home.
- Parents will use Focus (online gradebook) to monitor their student's progress in classes.
- Parents will work collaboratively with school personnel to ensure student goals and expectations are met.
