Purpose & Process

What is our purpose today?

- To understand who the Hamilton Park community is (personality, values, ways of being, beloved traditions).
- To understand the current conditions and how the school is currently operating.
- To identify what the school administration's goals are for the addition and renovation.

Introductions

5 minutes

Tell us about yourself on the
information card provided.

(name, role, how long you've been at the school/district,
one thing you love about Hamilton Park)

01 | Activity: Who are we?

20 minutes

Purpose

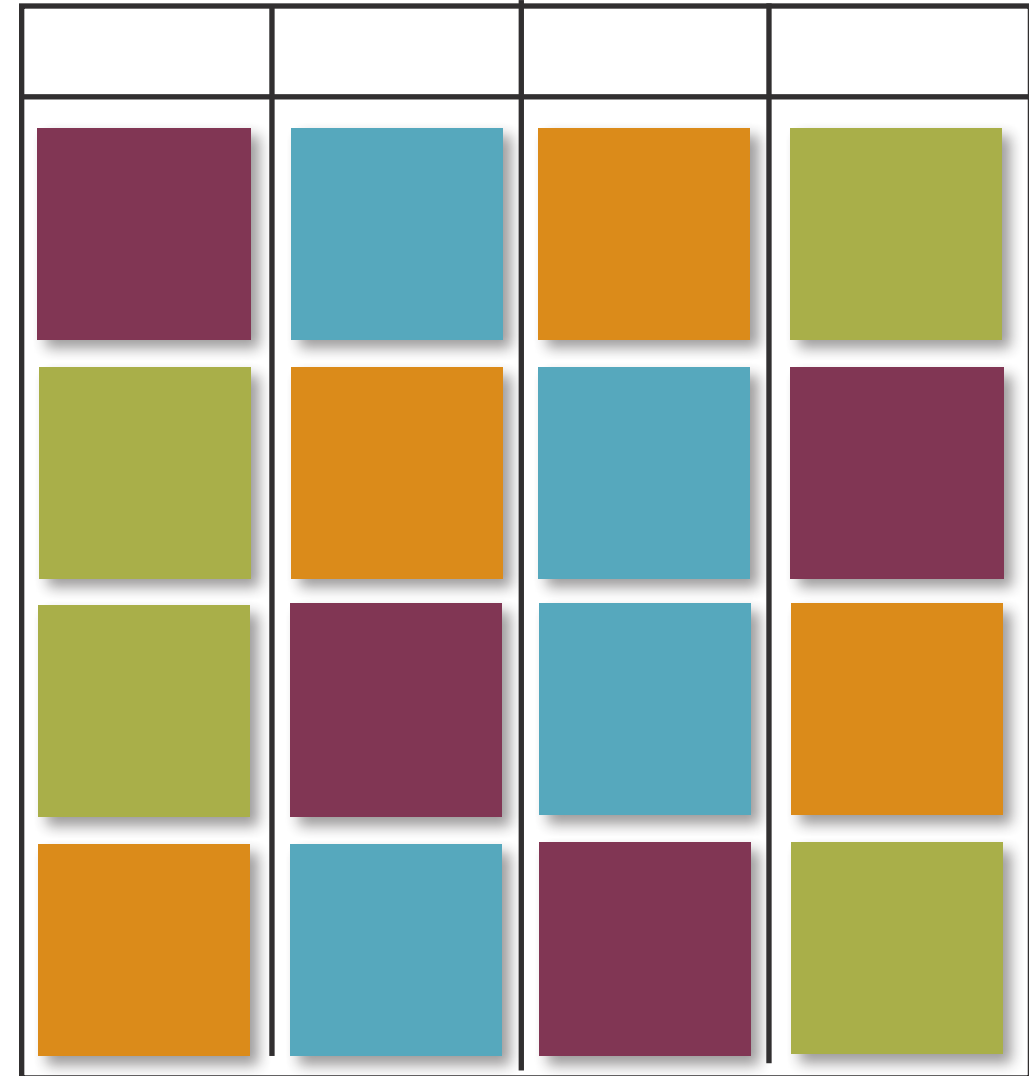

To invite individual input from participants in order to identify things that make your school community unique. The insights build consensus around what is successful and needs to be nurtured in the design of the graphics and wayfinding.

Movement

Using the provided post-its each participant is to generate as many data points as possible for each question as they consider the addition and renovation. Only one idea or insight per post-it.

Contribute

Each participant is encouraged to review the ideas generated by peers. We will have an open discussion about each poster.

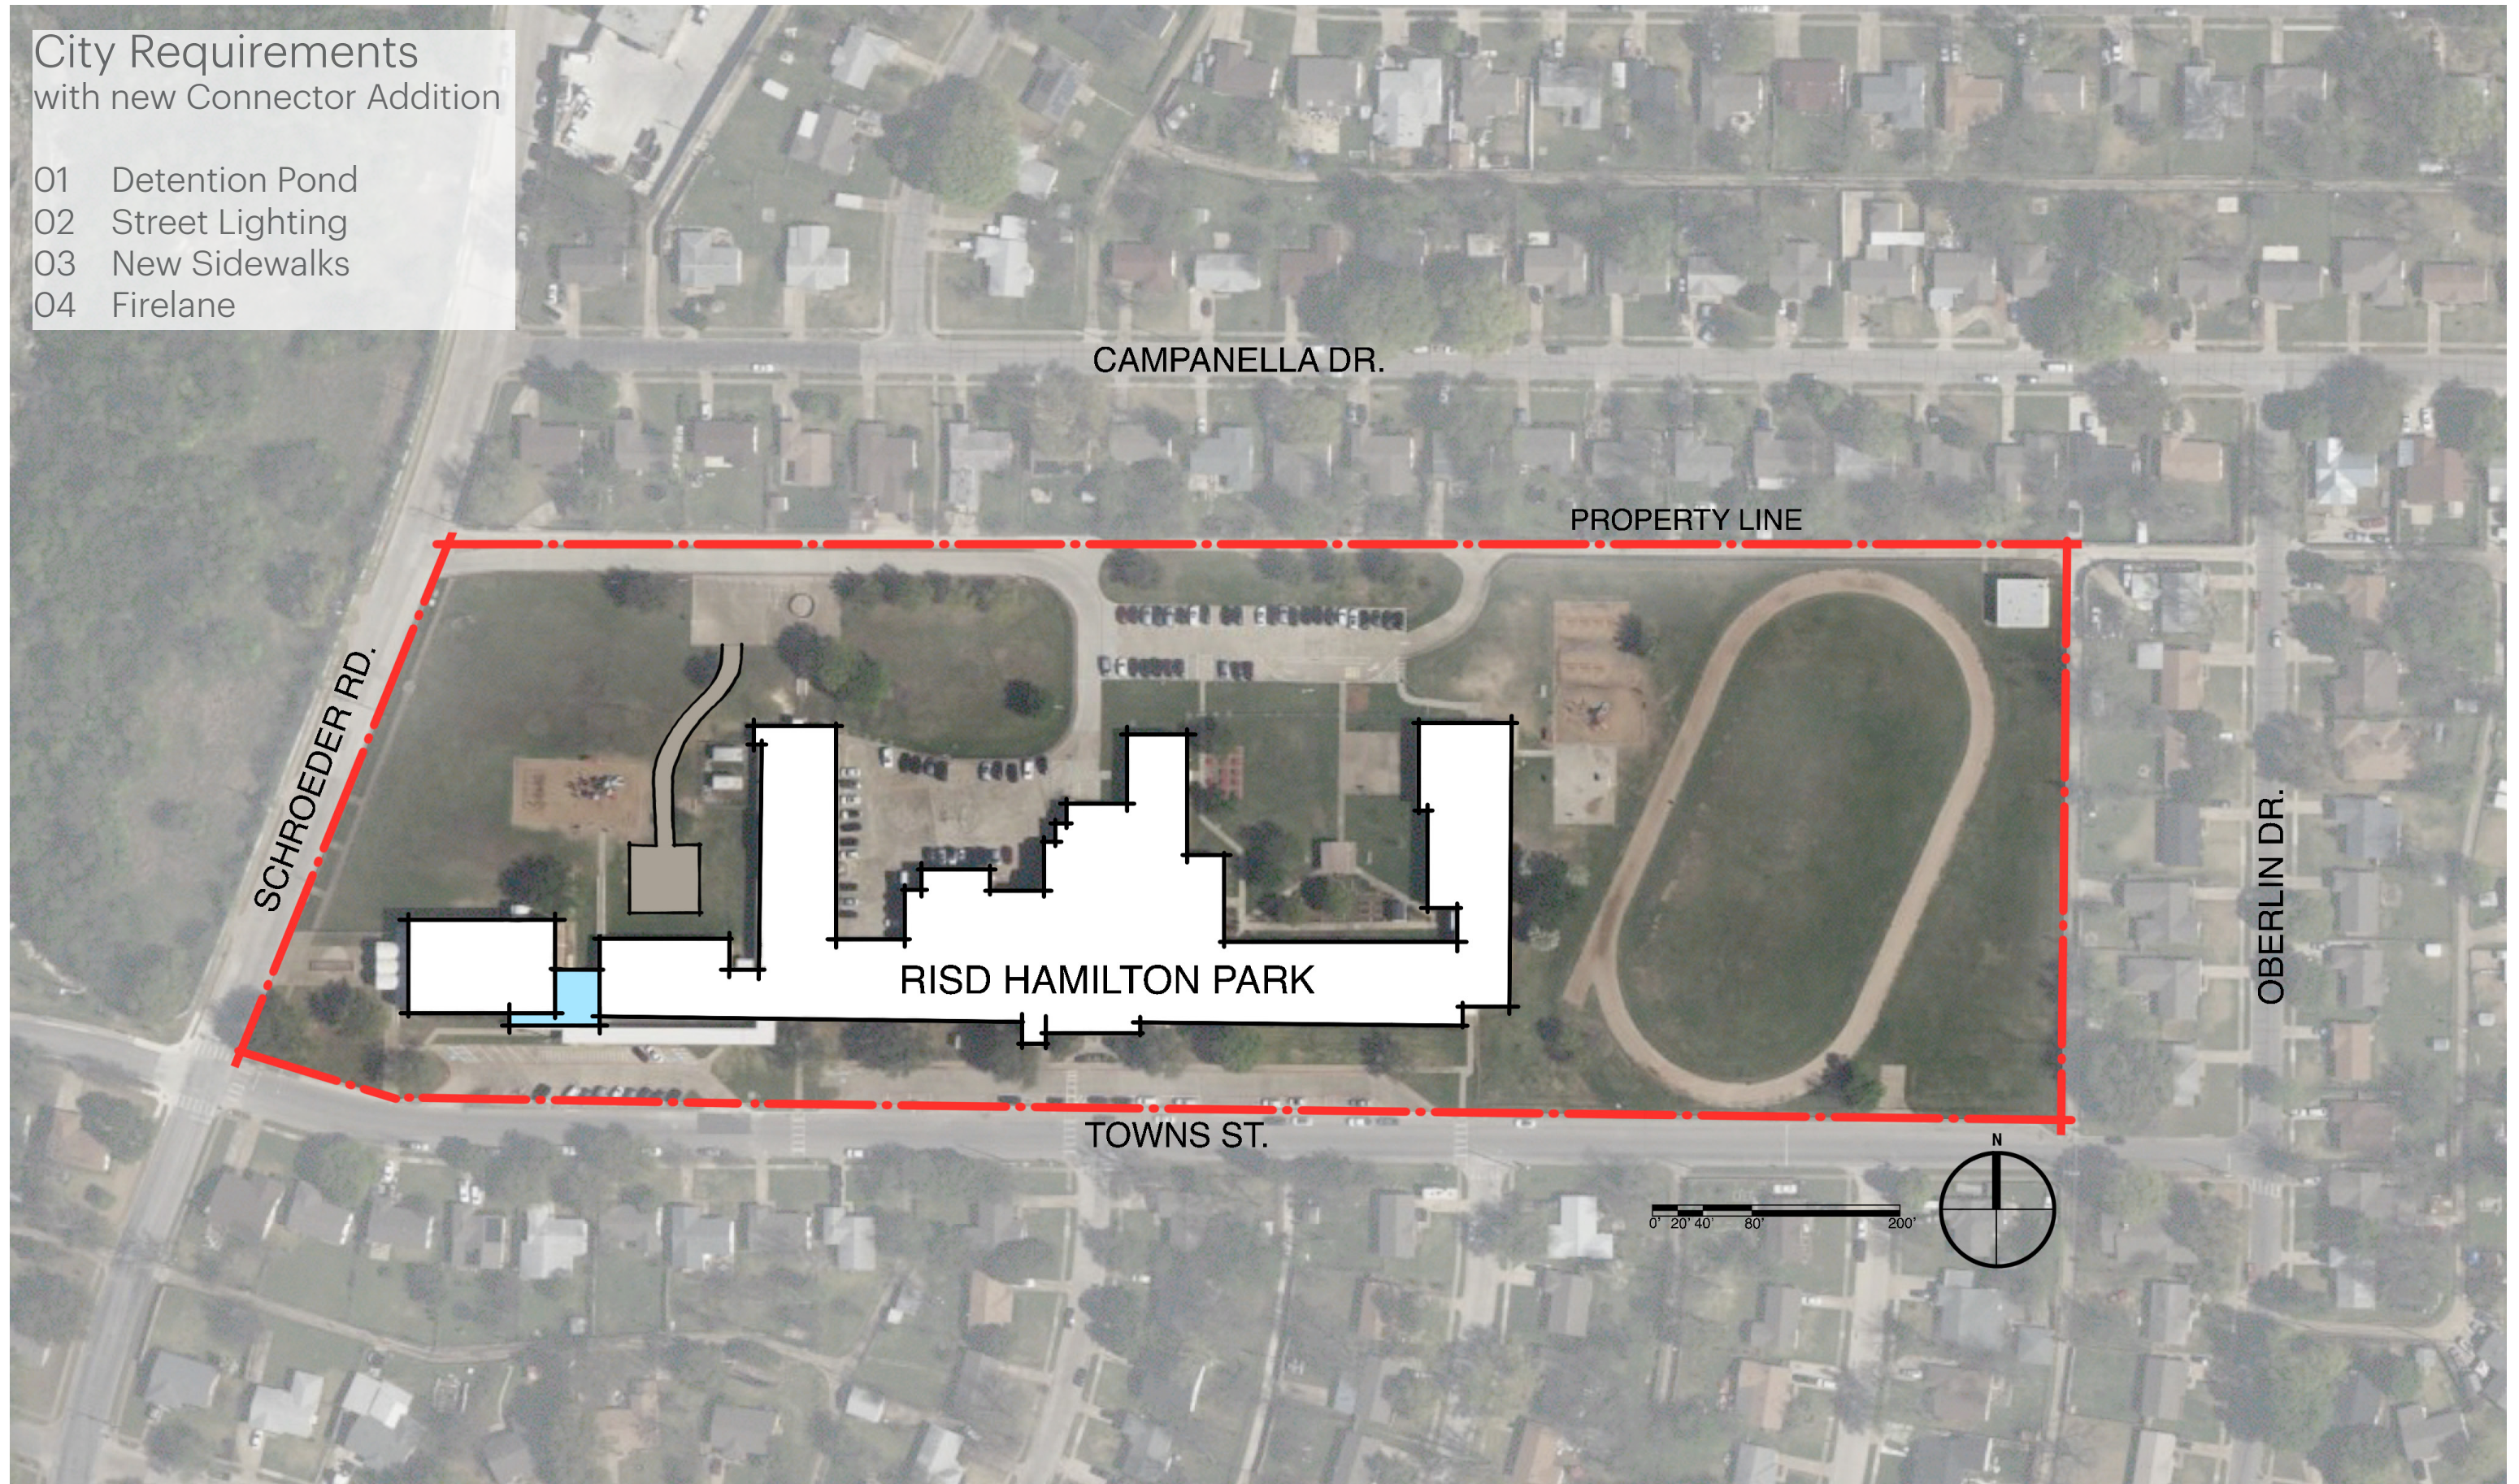

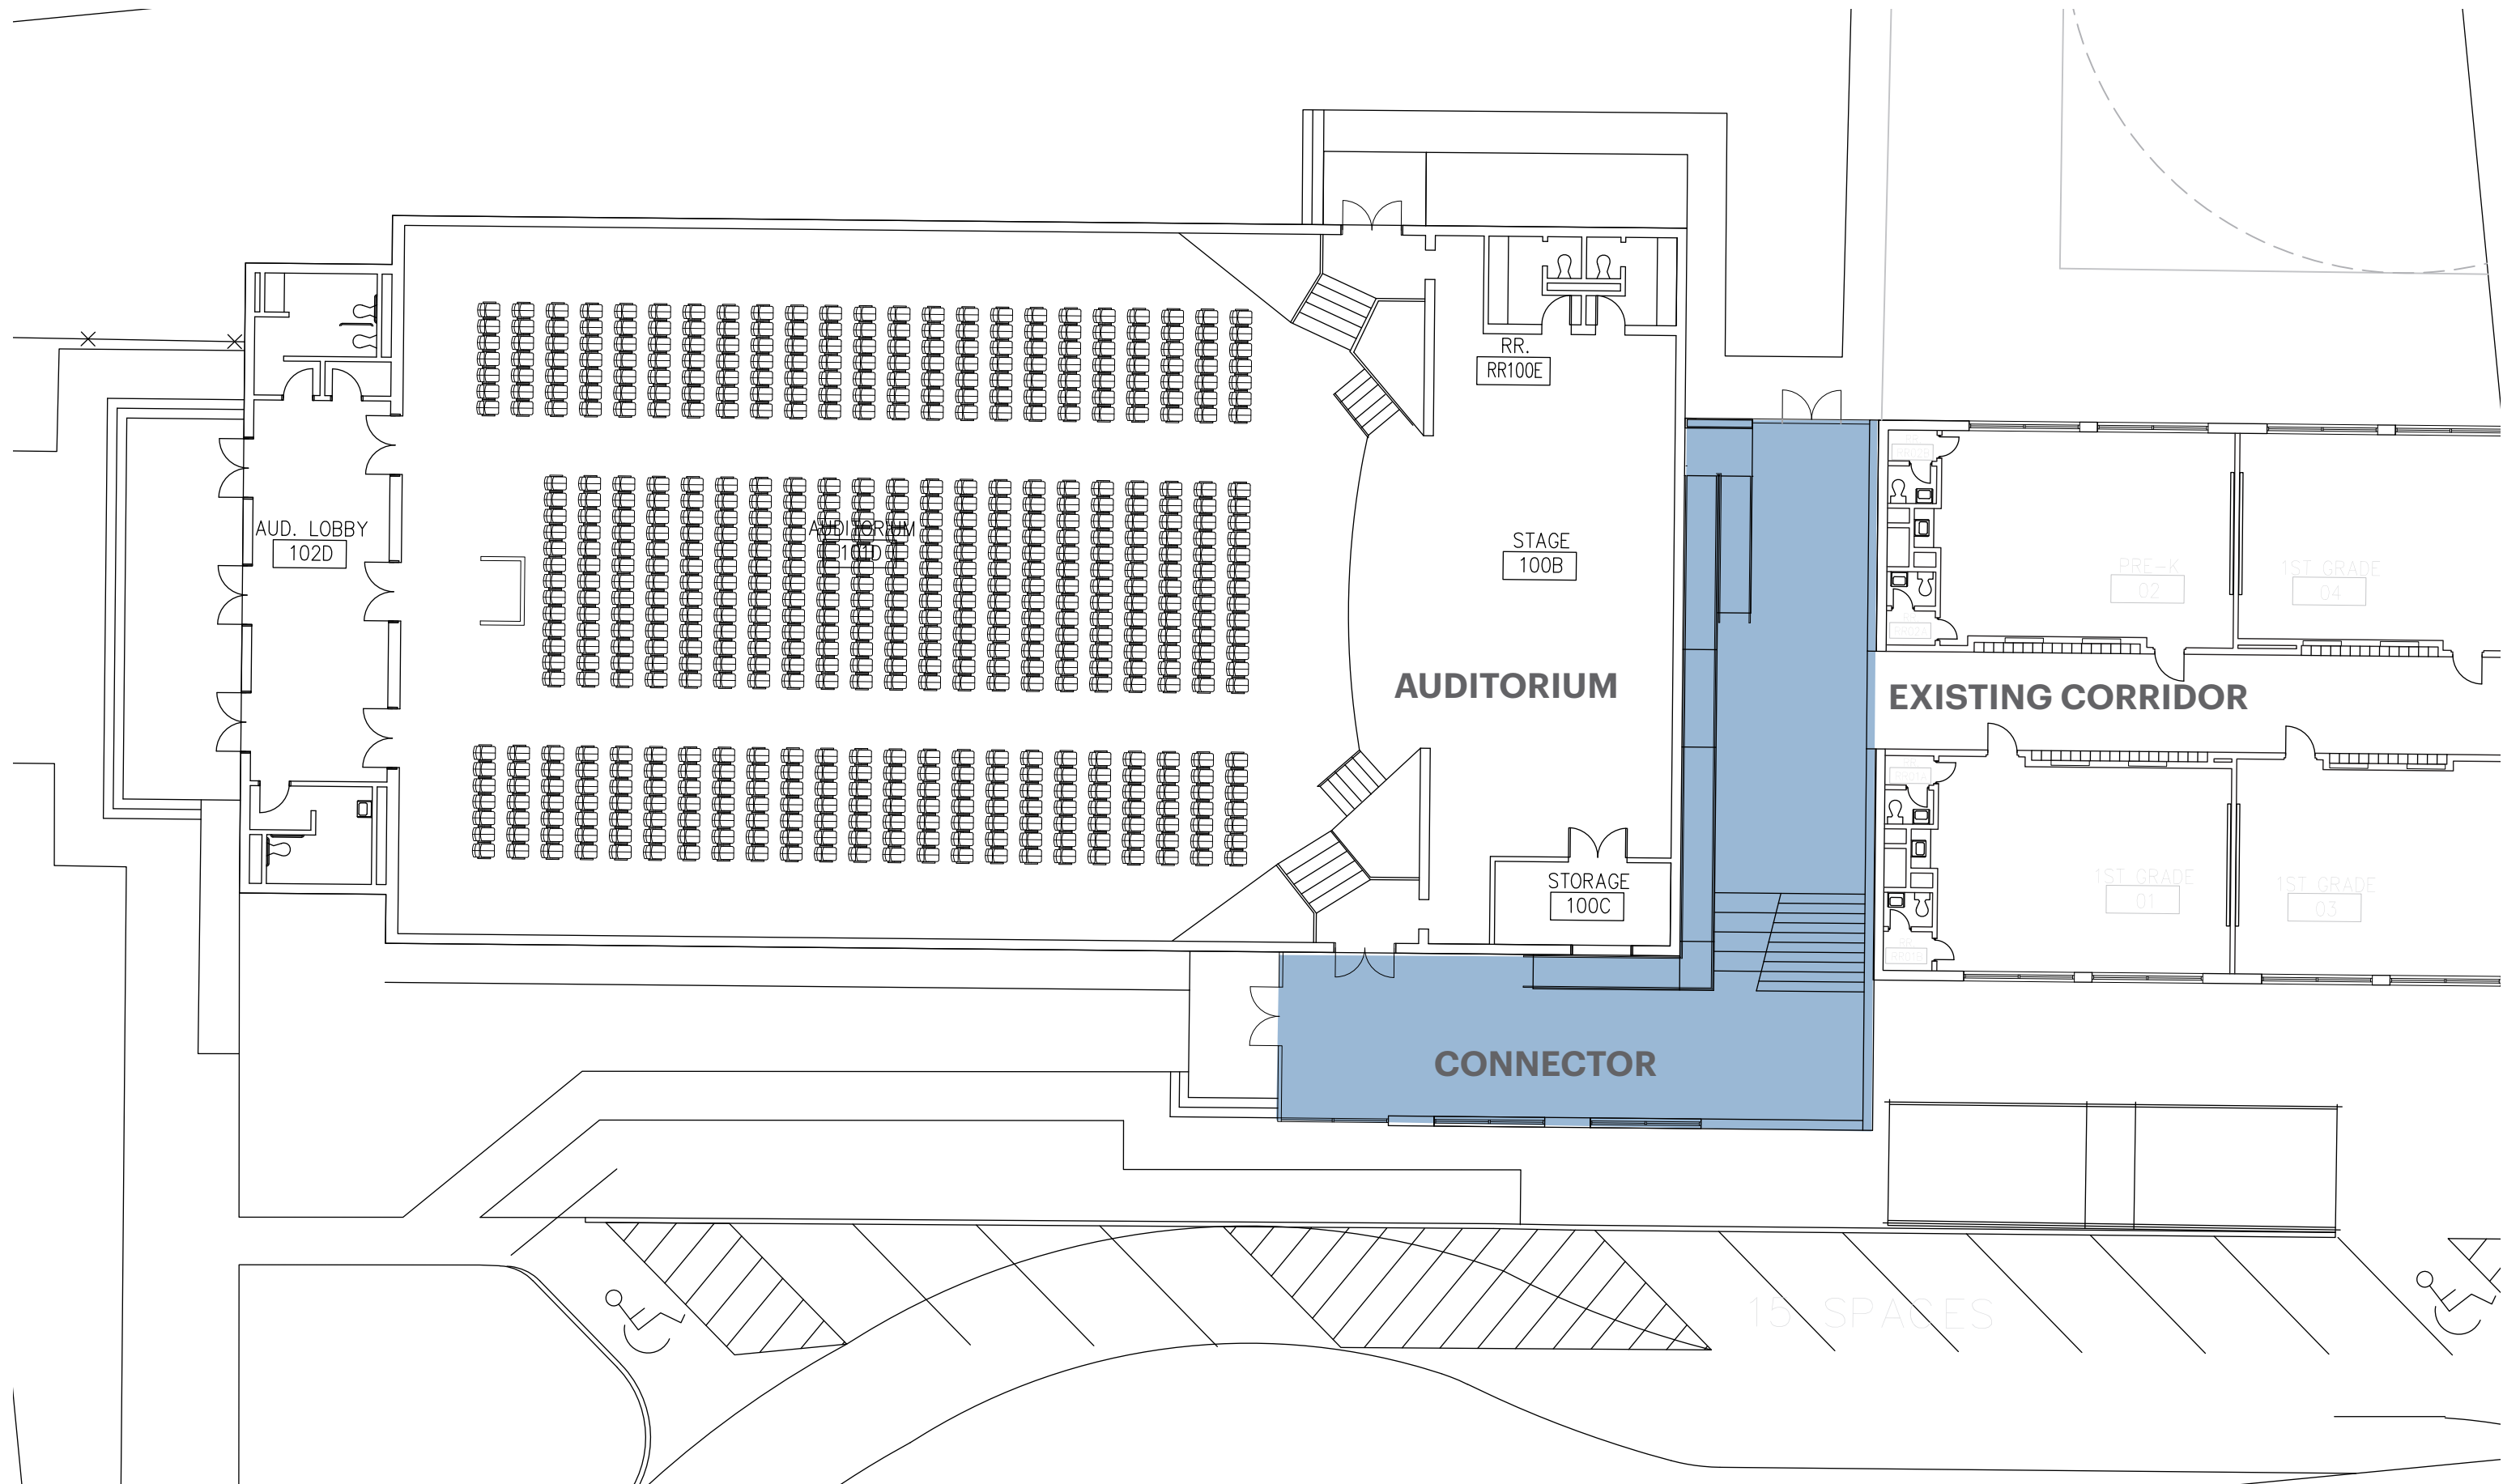

Identified Priorities

- 01** New addition to connect the existing school and auditorium
- 02** Renovate existing cafeteria
- 03** Flooring replacements
- 04** Replace lighting throughout
- 05** Repaint interior throughout
- 06** New interior graphics and wayfinding
- 07** New FFE throughout

02 | Activity: Priority Matrix

20 minutes

Purpose

To invite individual input from participants to understand what items should be identified as priority.

Movement

Using the provided post-its, each group is to generate a priority list of the items 01-08, the last space 09 is available for any additional priorities and ideas.

Contribute

Each participant is encouraged to review the ideas generated by peers. We will have an open discussion about each poster.

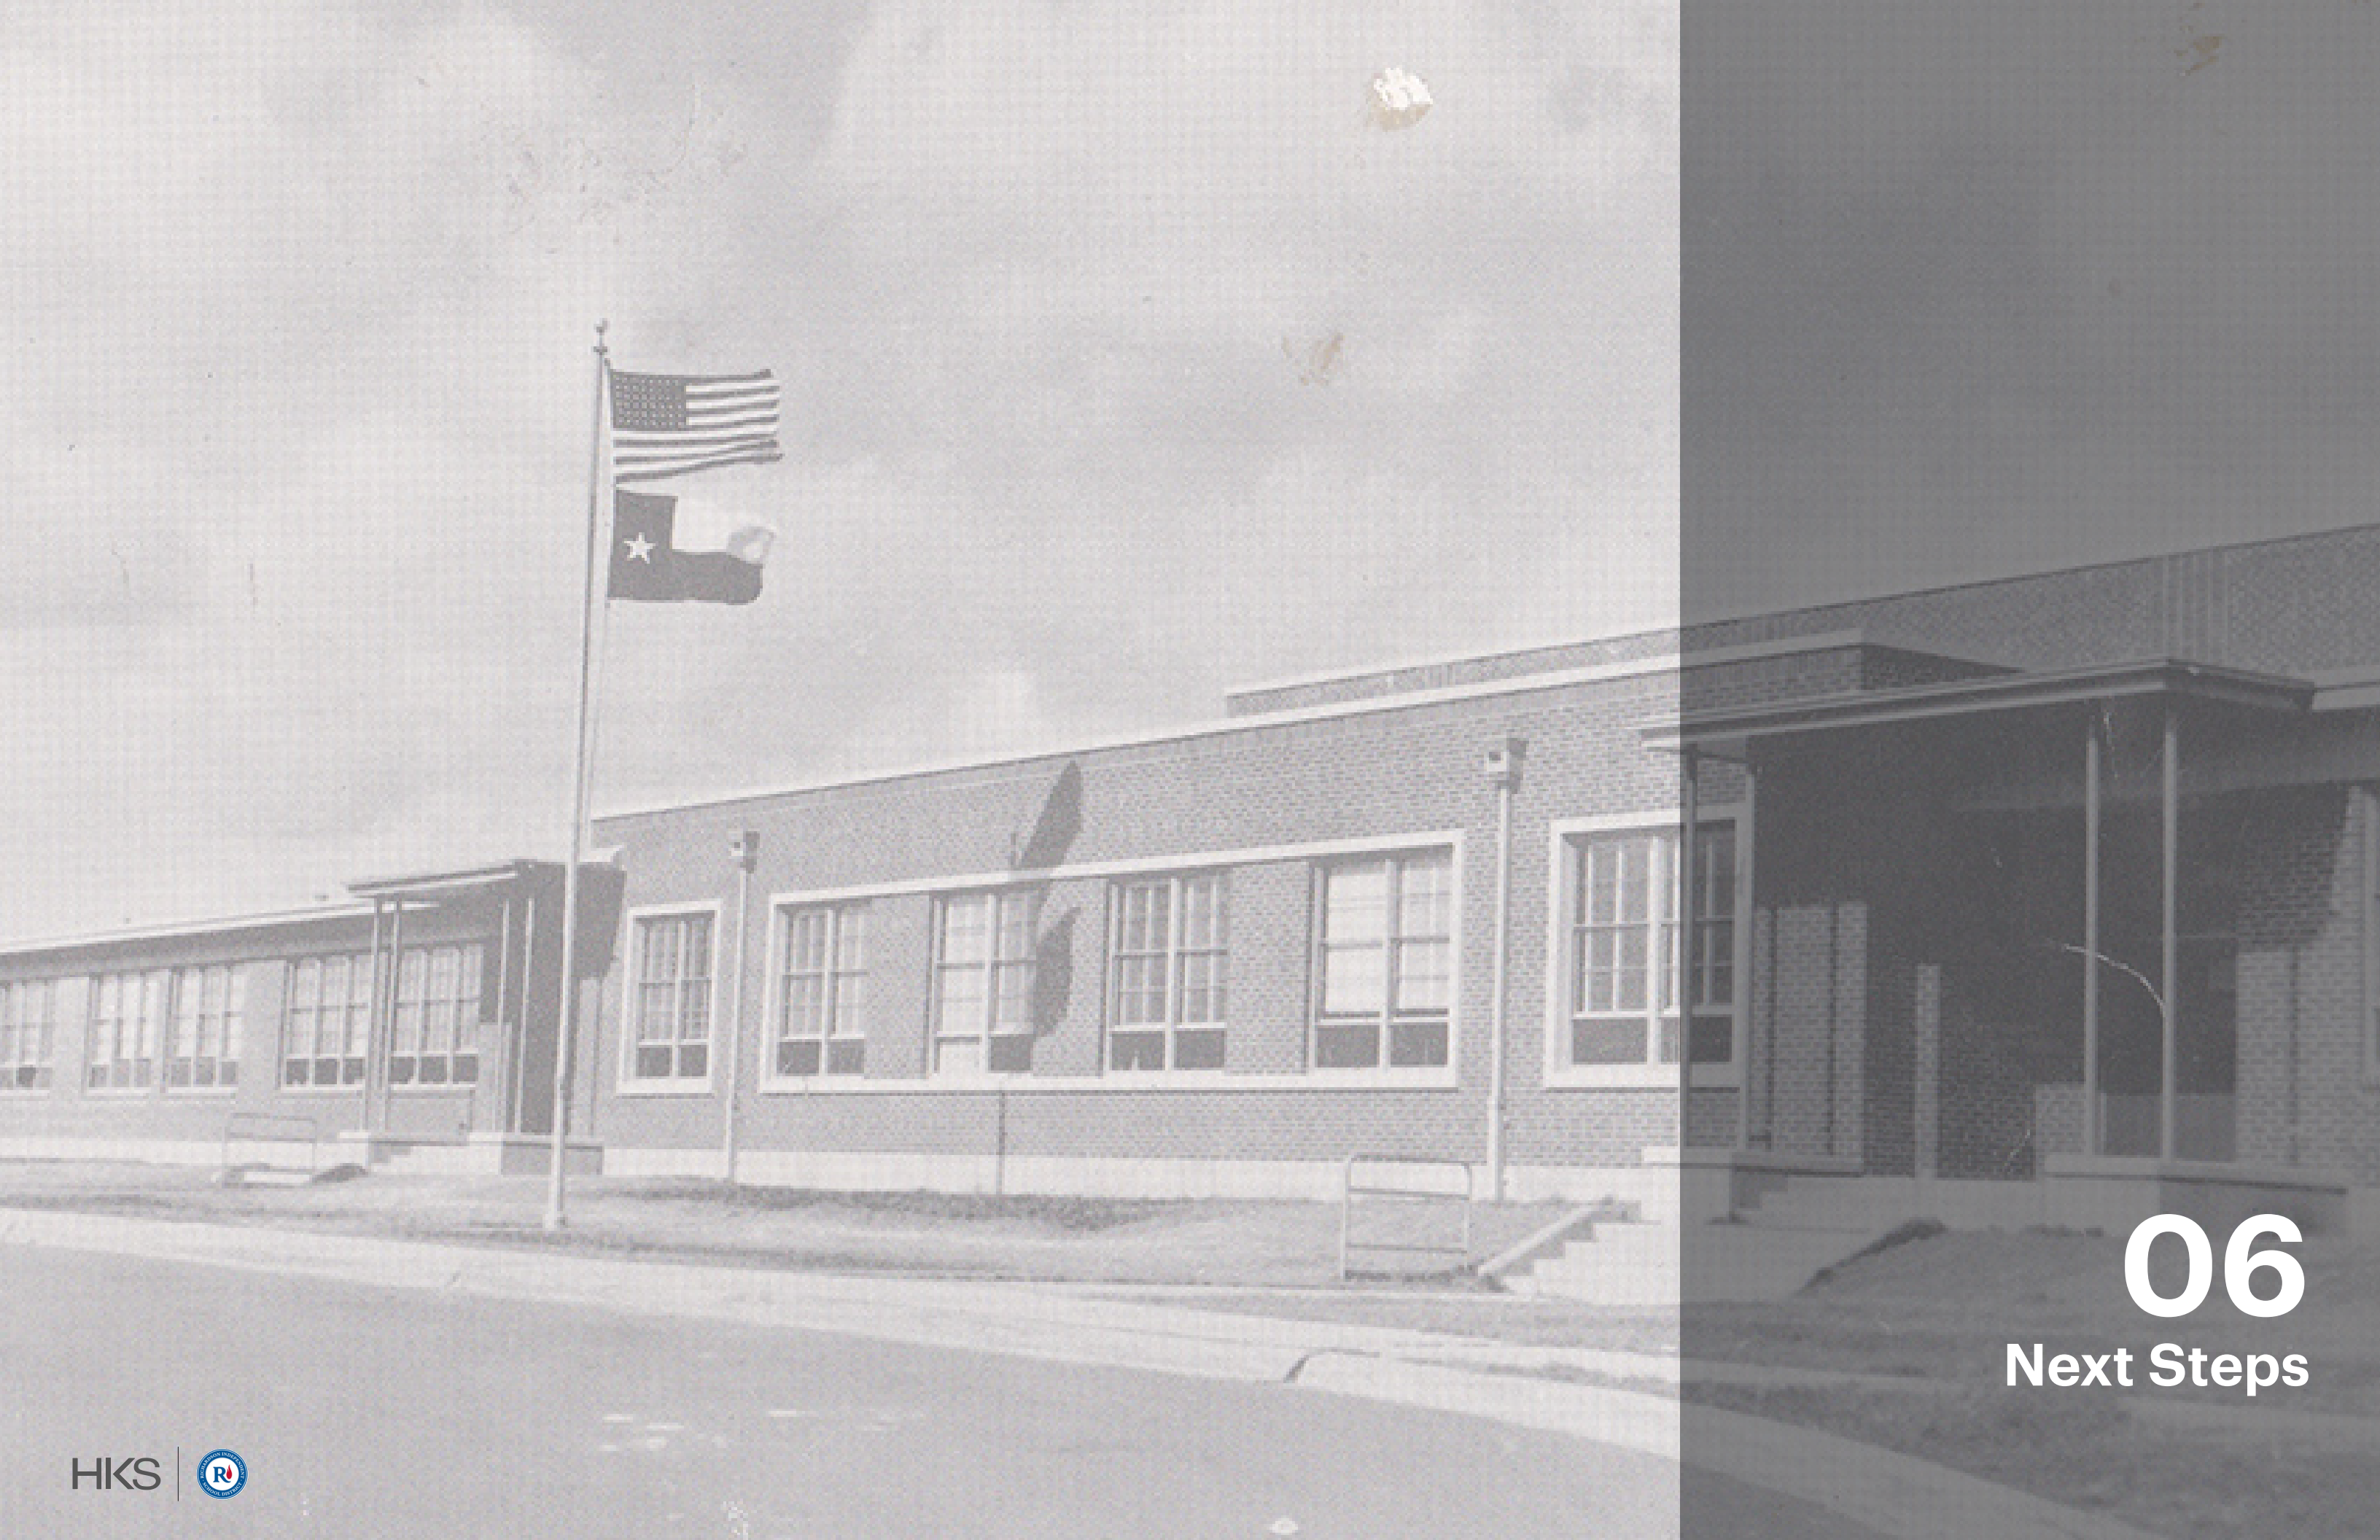

03 | Activity: Postcard from the Future

7 minutes

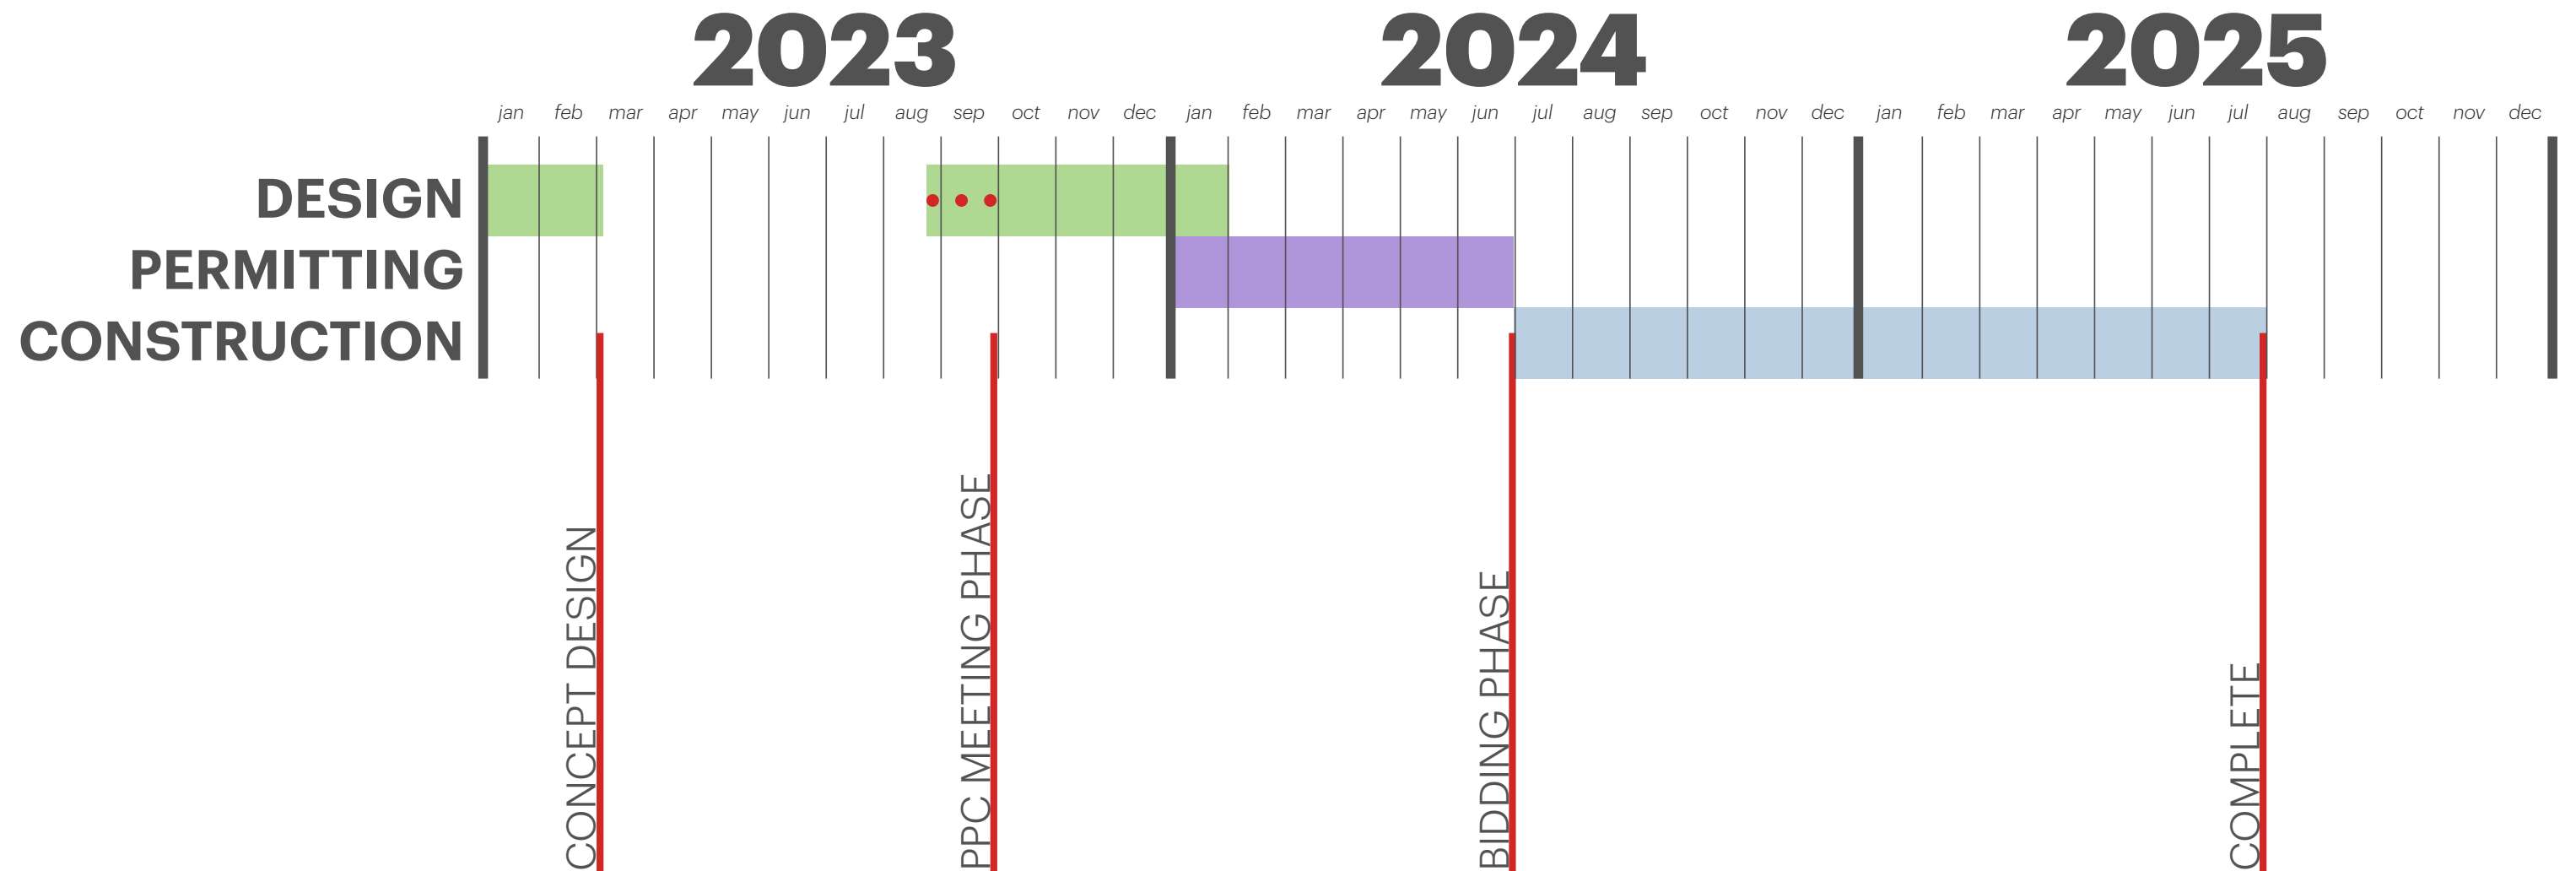

It's 2025, and the addition and renovations are complete. Write a postcard to your 2023 self describing the **one thing you are most proud of** in regard to the physical transformation of Hamilton Park Pacesetter Magnet.
