

Hamilton Park Pacesetter Magnet

We are shaping the next generation of leaders by fostering a culture of excellence, unity, and service. As a leadership-focused magnet, our students develop the confidence, integrity, and skills needed to excel in academics and in life.

WHAT MAKES HPPM UNIQUE?

- **Leadership Embedded in Daily Learning:** Students develop leadership skills through hands-on experiences, team collaboration, and service-learning projects.
- **Personalized Leadership Development:** Utilizing the John Maxwell iLead curriculum, students cultivate essential leadership traits such as responsibility, communication, and problem-solving.
- **Innovative Instructional Approaches:** A blend of Socratic seminars, project-based learning, and real-world applications ensures deep engagement and academic excellence.
- **Community and Business Partnerships:** Students benefit from mentorship and leadership training with university, business, and community partners.
- **Ron Clark Academy House System Collaboration:** Students learn from and mentor peers through structured leadership roles within a house system that fosters teamwork and school spirit.
- **Character and Goal-Setting Focus:** Leadership portfolios track student growth, self-reflection, and mastery of key leadership competencies.
- **Public Speaking and Presentation Skills:** Regular opportunities to present ideas, lead initiatives, and engage with the community build confidence and communication abilities.
- **High Standards for Academic Success:** Leadership development is integrated with rigorous academics, preparing students for success in middle school, high school, and beyond.

A School United in Leadership

Every student is empowered to act with purpose, take initiative, and contribute to a supportive school community.

High Standards, High Achievement, High Expectations

Through rigorous academics, goal-setting, and personal accountability, students strive for excellence in all they do.

Serving Others, Changing the World

Leadership at HPPM extends beyond the classroom, as students give back to their community through service-learning projects and real-world problem-solving.

Building a Stronger Graduate

By the time they leave HPPM, our students are confident communicators, critical thinkers, and ethical leaders, prepared for success in middle school and beyond.

Empowering Leaders 🐾 Inspiring Excellence 🐾 Impacting the Future.
