

LIBERTY JUNIOR HIGH SCHOOL

RICHARDSON INDEPENDENT SCHOOL DISTRICT

Where all students connect, learn, grow and succeed

June 1, 2022

Dear Liberty Junior High Families and Community,

I am very humbled and honored to introduce myself as the new principal of Liberty Junior High School and to join our school community committed to care and academic success for our students. I look forward to growing with our team of talented teachers as we create a safe and loving environment where students will thrive socially and academically, and where teachers will be supported in the love of their craft. I would like nothing more than for our Liberty students and staff to see the value in what we bring to one another and our community around us.

I have been dedicated to the field of education for 26 years in the roles of middle school teacher, assistant principal, principal for twelve years, and central staff. During my tenure as a campus principal, I have had the great pleasure to serve students, staff and families at the elementary, middle school and high school level with Dallas ISD. For the past 7 years, I have served in the principal and central staff professional development role in a neighboring charter district. I am thrilled to bring my skills as an educational leader and learner to Liberty Junior High and to work alongside you all as a partner in education to ensure student success.

On a personal note, I have lived in the Dallas area for twenty-one years; I am originally from San Antonio, Texas. My daughter, our cat, Oscar, and I currently reside in Plano. We love to spend our weekends hiking and riding our bikes along the many trails in the area. This fall, my daughter, who loves being on the softball team and playing clarinet in her middle school band, will be an eighth grader.

I am truly honored to serve the students, teachers, and community of Liberty Junior High. As a life-long learner, I am eager to dive into learning all about our school culture and community to listen how, together, we can continue to work towards making Liberty Junior High a premier school in Richardson ISD. This is truly an exciting time to be an educator and I am honored to lead our school's learning and to adapt through this time together.

I look forward to this exciting new journey learning alongside our Liberty Junior High family and to meeting each of you. My door is open and your input is always welcome. The 2022-2023 school year is going to be amazing!

Sincerely,

Irene Aguilar
Principal
