

## **Richardson West Arts & Technology Magnet School Compact 2024-2025**

### **Students**

Students will utilize their district-provided technology device for enhanced educational opportunities.

Students will be highly engaged in their educational life through grades, attendance, behavior, and meeting overall campus expectations.

Students will be good citizens and help maintain a safe learning environment by following campus expectations.

Students will monitor grades in the online grade book (FOCUS) and complete and turn in assignments in a timely manner.

### **Teachers**

Teachers will utilize current technology provided to them by the district to enhance teaching.

Teachers will attend professional development and apply learning on innovative use of technology and instructional practices in the classroom.

Teachers will assist students in preparing for their global future.

Teachers will collaborate with parents/guardians for the overall success of their student.

Teachers will be high-performing, consistently developing, and student-focused.

Teachers will fully engage in the PLC process and adhere to all district and campus expectations as related to the PLC process.

### **Parents/Guardians**

Parents/guardians will monitor their student's internet usage at home (Go Guardian Parent) while also reinforcing digital citizenship expectations set by the school.

Parents/guardians will use the online grade book (FOCUS) and Schoology to monitor their student's progress in classes.

Parents/guardians will work collaboratively with school personnel to ensure student goals and expectations are met in regards to attendance, behavior, and overall academic success.

### **School**

The School will provide high quality curriculum and instruction.

The School will conference with students about their individual goals and growth.

The School will communicate to students and parents progress feedback in a timely manner using progress reports, monthly newsletters, and MAP reports.

The School will provide access to the staff contact information through the use of the West Teacher Hub.

The School will offer parent shadowing opportunities as a Tier 3 student support.

The School will create a Campus Improvement Plan that embeds the Richardson ISO Graduate Profile.

The School will commit to provide a safe environment for all students to learn and engage in.

The School will provide opportunities for parents/ guardians to engage in twice a school year through our community resource fairs
