

Stults Road Elementary

Parent-School Learning Compact 2026–2027

Parents, staff, students, and the Stults Road community agree that this compact outlines how parents, the entire school, and students will share responsibility for improving student academic achievement and the means by which the school and parents will build and develop a partnership that will help children succeed.

Parent/Guardian Responsibilities

As a parent/guardian of a student at Stults Road Elementary, I take responsibility for my child's learning and agree to:

- Ensure my child attends school every day, on time, and in dress code.
- Know what my child should learn at each grade level and how I can support learning at home.
- Communicate regularly with my child's teacher regarding academic progress.
- Inform the teacher if my child is struggling academically or socially at school.
- Attend parent-teacher conferences, PTA meetings, and parent education workshops.
- Provide the necessary supplies to help my child be prepared for school and complete assignments.
- Be actively involved in my child's education and participate in school activities.

Student Responsibilities

As a Stults Road student, I take responsibility for my learning and agree to:

- Be prepared to learn every day.
- Help create a safe environment by following school rules.
- Come to school on time and prepared with supplies, books, and completed homework.
- Attend tutoring if I have difficulty with schoolwork and ask for help when needed.
- Follow the dress code policy and the Electronic Acceptable Use Policy.
- Demonstrate respect for my principal, teachers, staff members, and fellow students.
- Be safe, respectful, and responsible toward myself, others, and school property.

School/Teacher Responsibilities

I want all my students to receive the best education possible and to grow as individuals in all aspects of life. I will:

- Provide high-quality curriculum and research-based instructional practices to help students succeed academically and in life.
- Create a learning environment where students feel safe, respected, and nurtured, fostering healthy relationships among students and staff.
- Maintain two-way communication with parents/guardians and students regarding grade-level learning expectations and ways families can support learning at home.
- Communicate regularly with parents/guardians about strategies to help their children learn.

- Encourage and challenge all students to engage in rigorous thinking and make connections between classroom learning and real-world applications.
- Identify and provide resources and assistance for students who struggle academically or socially at school.
- Ensure all required grade-level content and skills are taught by the end of the school year.
