**Let's "reset" to what this new academic year brings:**

During this FREE event, parents and students will work together to develop a plan for college admissions by using various study habit techniques, planning ahead, and evaluating the exam content. Discussions will also include updates on college admission test optional, TSI exam, how to still be an active advocate of college events during COVID-19, and more. Be part of what we call our "reset" button to how parents and students are having to adjust to learning this academic year.

**Be part of a FREE MOCK SAT:**

All students who attend the event will be able to join a Zoom mock SAT on Saturday, January 23rd at 8 a.m. This mock SAT will be administered as if you were taking the actual exam. Details regarding Zoom link will be emailed after the boot camp to those students who completed the webinar.
