Greetings Fellow Wildcats.
Please allow me to introduce myself. I am the College / Career Coordinator at Lake Highlands High School. I look forward to serving the needs of ALL LHHS students and their families as they prepare for what lies ahead after they graduate.

My Background

Being an LHHS grad, my passion for this school and its students is my motivating factor to insure that each student realizes their true post-graduation potential. I attended the University of North Texas where I earned a Bachelor of Business Administration degree in Marketing. After raising my two children, who also graduated from Lake Highlands, I began my 17 year career in the LHHS Counseling Office working with students as a College/Career support staff.
What comes next for our students after they graduate??

THE POSITION IN A NUTSHELL

Who do I work with? Everyone!
The College/Career Center strives to reach ALL students and guide them as they make some of the most important decisions of their academic lives. We offer guidance that assists students to match their talents, personalities, academic abilities, and goals with the right college or career. It is our primary aim to provide information on college fit, curriculums, financial aid, and other post-secondary options that students may need. During the school year, my main focus is juniors and seniors; however I will also be meeting with your freshman and sophomore students during classroom presentations to provide information on things that they can be doing NOW to become better prepared for college ahead. If any of your students express a desire to learn more about college or need information on the college application process, please send them my way.

**Please note: I am always available to arrange a time to speak with your students on how to prepare for any college scenario and/or career direction. Feel free to contact me to set up a classroom presentation which can be tailored to fit your needs and curriculum.**

What I am here to help with?

- Preparing College Applications
- Choosing Major/ Best Fit (School & Career)
- Registering for the SAT & ACT Testing
- Guidance on Essays, Letters of Recommendation, etc.
- Financial Aid: FAFSA & TAFSA Applications
- Housing Applications
- Advice on securing Scholarships
- Community Service and much more!

Lake Highlands
THE SCHOOL OF CHAMPIONS!
