Service Branch Checklist

Joining the military.....

• **Request to receive more information.** This can be done online or in the College/Career Center

• **Talk to a recruiter** – the College/Career Center has their contact information

• **Understand the ASVAB Test.** The Armed Services Vocational Aptitude Battery is a multiple-choice exam that helps determine which careers best suits you. Both paper and online exams are available. It takes about three hours to complete and is composed of Math, English, Writing and Science.

• **Pass your physical examination.** Be sure to continue to stay in shape.

• **Meet with a counselor and determine a career.** At this point, you meet with a service enlistment counselor to find the right job specialty.

• **Take the oath of enlistment.**
