

CANYON CREEK ELEMENTARY

RICHARDSON INDEPENDENT SCHOOL DISTRICT

Where all students connect, learn, grow and succeed

May 26, 2021

Staff, Students & Families of Canyon Creek Elementary,

Thank you all so much for coming together to orchestrate the perfect surprise party and parade for our amazing leader, Mrs. Mixon. Working with her the past two years has been an experience that has proven to be invaluable. I know that we will all miss her and will always consider her family here at CCE!

It has been said that the ending of one chapter is the beginning of another. On that note, I cannot wait to continue this journey with our staff, students and community as the newly announced principal of Canyon Creek Elementary.

I consider you all family and truly believe that relationships are the foundation of every strong school community. I feel humbled and blessed that I have been chosen to continue working as the educational leader at CCE. I am committed to ensuring that every child feels connected, safe and comfortable at school, all while receiving a top-notch education.

Moving forward, please know that I want this to be a partnership as we work together to serve our students. I have learned over the years that communication between the school and community is vital in order for our students to thrive.

As your new principal, I invite your input and suggestions and look forward to connecting with each of you. I can already anticipate that the 2021-2022 school year is going to be amazing!

Sincerely,

Ashlee Baker
Principal
