

MOSS HAVEN ELEMENTARY

RICHARDSON INDEPENDENT SCHOOL DISTRICT

Where all students connect, learn, grow and succeed

June 16th, 2021

Dear Moss Haven Elementary Staff, Families, and Community:

I am very humbled and honored to introduce myself as the new principal of Moss Haven Elementary and to join this excellent school community. I look forward to becoming the lead learner at the school and getting to know the students, staff, and families. I want nothing more than for the students to connect, grow, and be successful.

I have been dedicated to the field of education for the last 11 years. The last three years I have served as an assistant principal at Richardson High School. I worked directly with our RHS magnet program, CTE, math, and AVID. Before that I was an assistant principal at Richardson West Junior High School. I am thrilled to bring my skills as an educational leader to Moss Haven Elementary and to work with you as a partner in education to ensure student growth and success.

On a personal note, I am married to my high school sweetheart, Jennie. We both attended school at Texas A&M University in College Station (Whoop!). We have lived in the Richardson area for the last 6 years. We are the proud parents of three kids – Elijah (6), Levi (3), and Olivia (7 months).

I am truly honored to be given this opportunity and look forward to immersing myself completely in Moss Haven and the Lake Highlands school community. I believe in fostering strong relationships and making connections with students, staff, parents, and the community. With that in mind, I will be calling on all our faculty, staff, and parents to work as a unified and cohesive group so we can best serve our children.

I look forward to transitioning into my new role and meeting each of you. My door is open and your input is always welcome. The 2021 – 2022 school year is going to be a great one!

Sincerely,

Jose Vega
Principal
