

YALE ELEMENTARY SCHOOL

RICHARDSON INDEPENDENT SCHOOL DISTRICT

Where all students connect, learn, grow and succeed

Dear Yale Families,

It is with great pride and excitement that I begin this new journey as principal of Yale Elementary School. I couldn't be more honored to assume the leadership reigns from Mrs. Suzanne Davis to continue a great journey, maximizing student achievement and individual potential.

This will be my 18th year in education, all in Richardson ISD. I am coming to you after 3 years as the assistant principal at Greenwood Hills Elementary here in the district. My husband and I have three wonderful boys who are all educated in RISD: Colin will be entering 8th grade, Zac will be entering 4th grade, and Gavin will be a 1st grader.

I am humbled by this opportunity. Please know that I look forward to getting to know each of your children and becoming part of the Yale family. I would like to meet you all and get to know you a bit more. We will have a meet-and-greet later this summer. Details will be shared later and I hope that you are able to attend.

Respectfully,

Carrie Greer

Principal
Yale Elementary
