

SPRING CREEK ELEMENTARY

RICHARDSON INDEPENDENT SCHOOL DISTRICT

Where all students connect, learn, grow and succeed

July 17, 2020

Dear Spring Creek Staff, Families, and Community,

It is with great pleasure that I introduce myself to you as the new principal of Spring Creek Elementary. I am truly honored to become a member of the Eagle family. As an educator, I wholeheartedly believe that strong relationships among students, staff, and the community are the foundation to building a positive school culture. I value the role that each of you play in the lives of our students and look forward to connecting with each of you in the days ahead.

For the past 17 years, I have served children from Pre-k through 8th grade in various roles. I started my career as an elementary teacher and later became a learning specialist where I provided instructional support for teachers. I then transitioned into administration as an elementary assistant principal in Wylie ISD. Most recently, I had the privilege of serving the students of Westwood Junior High in Richardson ISD as an assistant principal. I am thrilled to remain a part of the Richardson High School learning community with Spring Creek. Go Eagles!

As we begin a new year, I am humbled to follow Mrs. Erickson's leadership and look forward to building upon the level of excellence this school community has already established. My greatest desire is to create an atmosphere where all students feel welcomed and included while being equipped and empowered to soar beyond their dreams. During these unprecedented times, my commitment to this is unwavering. By prioritizing the safety, as well as the social and emotional well-being of our school community, we can make this vision a reality.

I cannot wait to begin collaborating and partnering with each of you to make the 2020-21 school year at Spring Creek Elementary the best year yet! Thank you for welcoming me into your family and for the opportunity to serve our school community.

Sincerely,

Erin Perkins
Principal
