

MATH SCIENCE TECHNOLOGY MAGNET SCHOOL

RICHARDSON INDEPENDENT SCHOOL DISTRICT

Where all students connect, learn, grow, and succeed

June 19, 2020

Dear MST Elementary Staff, Families, and Community:

It is with great pleasure and enthusiasm that I write this letter of introduction to you as the new principal of MST Elementary. It is my belief that relationships are the foundation of every strong school community. I look forward to getting to know the students, staff, and families of MST Elementary and becoming a part of the White Tiger family. With our shared partnership, we can all guide our future leaders to achieve their full potential.

I have been dedicated to the field of education for the past twelve years within RISD. My passion for education began in the classroom as a kindergarten teacher, fourth grade teacher and instructional coach. I continued my career in RISD as an assistant principal, and most recently the principal at Richland Elementary. I am excited to bring my skills as an educational leader to MST and to work with you as a partner in education to ensure the success of our students.

Not only do I desire to support a community of lifelong learners, I also want to model that passion for learning. I am a proud graduate of UT Dallas, where I studied Early Childhood Education. I received my Masters in Educational Leadership from Dallas Baptist University, and I recently completed my Doctorate in Educational Leadership from Dallas Baptist University.

When not at school, I spend lots of time with my family. My husband Matthew and I have 2 children who keep us active. Our oldest son, Jadon, is an eighth grader at Apollo Junior High and Conner is a fifth grader at Dartmouth Elementary.

I am so thankful to have the opportunity to bring all that I have experienced and learned with me to the MST community. Together, we will continue to instill a desire for learning that will push our White Tigers to connect, learn, grow, and succeed. I look forward to getting to know the individual students at MST, celebrating their successes, and stretching them to achieve in ways they never imagined possible.

As your new principal, I invite your input and look forward to meeting you all soon. This is going to be an amazing 2020-2021 school year at MST Elementary!

Sincerely,

Lauren Bolack, Ed.D

Principal
