

Northrich Virtual School Information

Dear NRE Students and Parents,

We hope that you are staying healthy and safe at home! This e-learning is a new experience for all of us, and we are happy and proud that we are facing this challenging time courageously together as a Northrich family.

NRE teachers and staff have uploaded lots of information in your child's **google classroom** including their office hours. Please help your child **check in the google classroom every day** for information and school work. We've consolidated a few of the vital information on this page for your convenience. Please check on the [RISD home page](#) for daily up date and [curriculum](#) for school work information . We miss you all!

Meals Pickup

Starting the week of April 20th, meals will be provided on Tuesdays, Thursdays and Fridays only.

**Northrich Elementary School
1301 Custer Road, Richardson, TX
